

2024 Trumbull County Resiliency Summit “Trauma and Resiliency in the World of Human Trafficking”

July 23, 2024

Dear Community Partner:

The Trumbull County Family & Children First Council, in partnership with the Trauma Informed Care Steering Committee and the SAAVE Coalition (Survivor Advocacy, Awareness and Voices for Empowerment), is excited to present “*Trauma and Resiliency in the World of Human Trafficking*” on **Friday, September 27, 2024** at the Eastwood Event Centre in Niles, Ohio.

The mission of the Trauma Informed Care Steering Committee is *to build a community that promotes resiliency, healing and growth as we raise awareness of Adverse Childhood Experiences (ACEs) and trauma by impacting and empowering Trumbull County citizens.*

The mission of the SAAVE Coalition is *to educate and advocate for social change to break the cycle of violence and victimization.*

This event will feature keynote speaker Barbara Freeman, a human trafficking survivor from Columbus, Ohio who was forced into human trafficking when she was 15 and came out of trafficking in April 2009. She went on to be one of the first graduates of CATCH Court (Changing Actions To Change Habits), a specialized docket in the Franklin County Municipal Court for women in the system who are victims of human trafficking. She is the CEO of the Freeman Project, which includes a home for human trafficking survivors in Columbus. Additionally, attendees will hear from experts who will provide information regarding how to recognize both sex and labor trafficking, how to respond, and how to take a proactive approach in combatting human trafficking.

Cost for the event is **\$75/person** which includes a light breakfast, lunch and CEs.

We need your help to make this event a success! In addition to attending, would you please participate **by becoming a sponsor** or **hosting a resource table** at the 2024 Summit? Sponsorship information is attached.
