Dear

The Trumbull County Family & Children First Council is sponsoring two wonderful community events for families with young children: the Candy Land Lane Early Learning Event and the Kindergarten Transition Fair. These events promote early childhood development and school readiness, and past events have attracted hundreds of families. We have hosted close to 800 people in a single event!

The Seventh Annual Candy Land Lane event will take place on December 14, 2024 as part of downtown Warren's Hometown Holidays. And, after being on hold since 2020, we are excited to bring the community a renewed Kindergarten Transition Fair on February 1, 2025. Both events will be held at the Warren-Trumbull County Public Library's Warren location. We will be planning, promoting and fundraising for both of these events together, to provide families with two fantastic and free opportunities to promote the social, emotional and academic development of their children.

We collaborate with school districts in the county, and invite them to participate in these events as well. Research shows that the stronger the relationship between school, community and family, the better the child will perform in school. Research also strongly indicates that children are academically stronger when their parents are actively involved with teaching outside of school.

We are asking for your help to make both of these events successful and valuable to the community. Your sponsorship will help our committee plan, advertise and supply families with resources and materials to help their children with the skills necessary for school success. Children and families will participate in activities aligned with Ohio's early learning standards, and information regarding school and community services will be provided. Families will be able to connect with community partners to assist them in navigating the early childhood years.

For further information, please check out our website at [www.bridge2kinder.com](http://www.bridge2kinder.com) to see our work and how we have been working to bridge the connection between families and their community.

To take full advantage of all the promotional opportunities your sponsorship offers, please complete the enclosed sponsorship form and return by October 11, 2024. Approximately 3 weeks before the event you may be asked to send your company logo as camera ready art in jpeg form.

For more information about the events or sponsorship information, please contact Desiree Farragher at 330-759-2310, or Lori Faust at 330-399-8807, ext. 176.

We truly thank you for your support!

Sincerely,

The Early Childhood Coordinating Committee of Family & Children First Council
