

Dear Community Partner:

We are reaching out to invite you to become a **valued sponsor** of an important and impactful event: the **2025 SAAVE Seminar: “Empowering Youth and Families through Advocacy and Awareness.”** This community-focused initiative will shine a light on the critical issues of **sexual assault, domestic violence, and human trafficking** among children and adolescents.

Hosted by the Trumbull County SAAVE (*Survivor Advocacy Awareness and Voices of Empowerment*) Coalition, in partnership with the Family & Children First Council, this event will bring together advocates, counselors, professionals, and community leaders to raise awareness, provide vital education, and empower participants with resources and tools for prevention and intervention. It will include presentations from subject-matter experts, survivor testimony, and informational exhibits and resources from community partners.

We believe your organization shares our commitment to protecting the most vulnerable members of our community. As a sponsor, you will be helping us:

- Educate families and youth on the warning signs and realities of abuse and exploitation
- Connect survivors and families to critical resources and support services
- Empower young people to advocate for themselves and others
- Create a safer, more informed, and more compassionate community

**We are currently seeking sponsors** to support the event through financial contributions. Your support will not only help cover event costs but will also ensure that our event is a success! You can see the various Sponsorship Levels and what each level includes on the attached.
